

# Directions and Parking Information for the ASE Conference

## College of Charleston

### To the Campus by Car:

**From Highway I-26:** One of the most common routes into Charleston is interstate I-26. Take I-26 East until it ends in Charleston. Take exit 221B (Meeting Street/Visitor's Center), and turn right at the end of the ramp onto southbound Meeting Street. Then follow directions given below to the College.

**From Highway 17:** If coming in to Charleston on Highway 17 southbound, proceed onto I-26 eastbound after crossing the Ravenel Bridge, and follow the I-26 directions. If coming in on Highway 17 northbound, follow signs to Calhoun Street, and proceed east on Calhoun Street until you pass the College Library. Proceed to either of the parking garages on St. Philip St, (Beware that Coming Street is one-way northbound, while King St. and St. Philip St. are one-way southbound, south of Calhoun.)

- **To the conference:** Heading south on Meeting Street, you will reach a large park on your right. This is Marion Square. Turn right onto Calhoun Street, and proceed two blocks, past the major intersection with King St. until you get to St. Philip St.  
You can park in one of two [garages](#) on campus: either one half block right (north) on St. Philip St., or three blocks south on St. Philip between Wentworth and Beaufain. These garages charge by the hour.
- **Metered Parking:** Metered parking located throughout the campus and downtown Charleston. Maximum of 2 hours per meter. Parking is free Monday - Saturday after 6:30pm and all day on Sunday.
