Race for the Cure

October 4-6, the Susan G. Komen Breast Cancer Foundation Lowcountry Affiliate needs volunteers to assemble 5,000+ packets for Race for the Cure participants. This project is vital to the success of the Race, which is the signature fundraising event for the Komen Charleston Affiliate. With the funds raised from this event, the Lowcountry Affiliate educates the community about the risk of breast cancer. It also dedicates itself to supporting organizations and programs that promote education, outreach, treatment support, or screening projects targeting services not otherwise available to the medically underserved populations. For more information, please call Allison LaMantia at (843) 763-0877.
