

*Cougars Helping Enhance the Community*

The winter holidays are almost here, which means the fall semester coming to a close! Not sure what to do with all that extra time? Why not volunteer? Please give us a call or come by the CHEC Center if you are interested. Happy holidays and we hope to see you next year!

### ONE House, ONE Pride Habitat Project Update: Help Fundraise!

December is the perfect time of year to give back to your community, and the **ONE House, ONE Pride** project is a great opportunity to do so!

Not sure what to get the person who has it all? Why not make a donation in their name? It's simple and easy to donate online. Just go to our website, [www.cofc.edu/~blitzbuild](http://www.cofc.edu/~blitzbuild) and scroll down to the "DONATE NOW" button.

If everyone at the college donated \$5, the **ONE House, ONE Pride** project would meet it's fundraising goal of \$60,000! Even if you can't donate this season, you might know someone who can. Pass on the link and make an impact!

Teams from CofC will also be selling crafts and hot cocoa during the **Marion Square Holiday Market**. Stop by to find out more information about the Nelsons, and how to get involved!

### FestiVELO

Like to bike? Volunteers are needed from 11/29 to 12/2 for a CofC **Best Buddies** event. There are various rides available ranging from 30-90 miles, with a thank you party on Sunday. The cost is \$10, and it covers participating in the ride, an event hat, lunch, and entertainment. CofC students and the community are welcome to participate!
