Offerors are expected to examine the Solicitation thoroughly and should request an explanation of any ambiguities, discrepancies, errors, omissions, or conflicting statements in the Solicitation. Failure to do so will be at the Offeror's risk. Offeror assumes responsibility for any patent ambiguity in the Solicitation that Offeror does not bring to the State's attention.

Questions must be received by the Procurement Officer no later than five (5) days prior to opening unless otherwise stated on the Cover Page. Label any communication regarding your questions with the name of the procurement officer, and the solicitation's title and number. Oral explanations or instructions will not be binding. Any information given a prospective offeror concerning a solicitation will be furnished promptly to all other prospective offerors as an Amendment to the solicitation, if that information is necessary for submitting offers or if the lack of it would be prejudicial to other prospective offerors. (b) The State seeks to permit maximum practicable competition. Offerors are urged to advise the Procurement Officer – as soon as possible – regarding any aspect of this procurement, including any aspect of the Solicitation that unnecessarily or inappropriately limits full and open competition.

REJECTION/CANCELLATION (JANUARY 2006) The State may cancel this solicitation in whole or in part. The State may reject any or all proposals in whole or in part. [SC Code Section 11-35-1710 & R.19-445.2065.]

If this solicitation is an Invitation for Bids, each separate offer must be submitted as a separate document. If this solicitation is a Request for Proposals, multiple offers may be submitted as one document, provided that you clearly differentiate between each offer and you submit a separate cost proposal for each offer, if applicable.

(c) Responsiveness. Any Offer which fails to conform to the material requirements of the Solicitation may be rejected as nonresponsive. Offers which impose conditions that modify material requirements of the Solicitation may be rejected. If a fixed price is required, an Offer will be rejected if the total possible cost to the State cannot be determined. Offerors will not be given an opportunity to correct any material nonconformity. Any deficiency resulting from a minor informality may be cured or waived at the sole discretion of the Procurement Officer. [R.19-445.2070 and Section 11-35-1520(13)]

(d) Price Reasonableness: Any offer may be rejected if the Procurement Officer determines in writing that it is unreasonable as to price. [R. 19-445.2070].

(e) Unbalanced Bidding. The State may reject an Offer as nonresponsive if the prices bid are materially unbalanced between line items or subline items. A bid is materially unbalanced when it is based on prices significantly less than cost for some work and prices which are significantly overstated in relation to cost for other work, and if there is a reasonable doubt that the bid will result in the lowest overall cost to the State even though it may be the low evaluated bid, or if it is so unbalanced as to be tantamount to allowing an advance payment.

RESTRICTIONS APPLICABLE TO OFFERORS (JANUARY 2006) Violation of these restrictions may result in disqualification of your offer, suspension or debarment, and may constitute a violation of the state Ethics Act. (a) After issuance of the solicitation, ***you agree not to discuss this procurement activity in any way with the Using Governmental Unit or its employees, agents or officials.*** All communications must be solely with the Procurement Officer. This restriction may be lifted by express written permission from the Procurement Officer. This restriction expires once a contract has been formed. (b) If the Offeror is a partnership, the Offer must be submitted in the partnership name, followed by the words "by its Partner," and signed by a general partner. (c) If the Offeror is a corporation, the Offer must be submitted in the corporate name, followed by the signature and title of the person authorized to sign. (d) An Offer may be submitted by a joint venturer involving any combination of individuals, partnerships, or corporations. If the Offeror is a joint venture, the Offer must be submitted in the name of the Joint Venture and signed by every participant in the joint venture in the manner prescribed in paragraphs (a) through (c) above for each type of participant. (e) If an Offer is signed by an agent, other than as stated in subparagraphs (a) through (d) above, the Offer must state that it has been signed by an Agent. Upon request, Offeror must provide proof of the agent's authorization to bind the principal.

STATE OFFICE CLOSINGS (JANUARY 2006) If an emergency or unanticipated event interrupts normal government processes so that offers cannot be received at the government office designated for receipt of bids by the exact time specified in the solicitation, the time specified for receipt of offers will be deemed to be extended to the same time of day specified in the solicitation on the first work day on which normal government processes resume. In lieu of an automatic extension, an amendment may be issued to reschedule bid opening. If state offices are closed at the time a pre-bid or pre-proposal conference is scheduled, an Amendment will be issued to reschedule the conference. Useful information may be available at: http://www.scemd.org/scgovweb/weather_alert.htm.

SUBMITTING CONFIDENTIAL INFORMATION (AUGUST 2002): (An overview is available at www.procurement.sc.gov) For every document Offeror submits in response to or with regard to this solicitation or request, Offeror must separately mark with the word "CONFIDENTIAL" every page, or portion thereof, that Offeror contends contains information that is exempt from public disclosure because it is either (a) a trade secret as defined in Section 30-4-40(a)(1), or (b) privileged and confidential, as that phrase is used in Section 11-35-410. For every document Offeror submits in response to or with regard to this solicitation or request, Offeror must

separately mark with the words "TRADE SECRET" every page, or portion thereof, that Offeror contends contains a trade secret as that term is defined by Section 39-8-20 of the Trade Secrets Act. For every document Offeror submits in response to or with regard to this solicitation or request, Offeror must separately mark with the word "PROTECTED" every page, or portion thereof, that Offeror contends is protected by Section 11-35-1810. All markings must be conspicuous; use color, bold, underlining, or some other method in order to conspicuously distinguish the mark from the other text. Do not mark your entire response (bid, proposal, quote, etc.) as confidential, trade secret, or protected! If your response, or any part thereof, is improperly marked as confidential or trade secret or protected, the State may, in its sole discretion, determine it nonresponsive. If only portions of a page are subject to some protection, do not mark the entire page. By submitting a response to this solicitation or request, Offeror (1) agrees to the public disclosure of every page of every document regarding this solicitation or request that was submitted at any time prior to entering into a contract (including, but not limited to, documents contained in a response, documents submitted to clarify a response, and documents submitted during negotiations), unless the page is conspicuously marked "TRADE SECRET" or "CONFIDENTIAL" or "PROTECTED", (2) agrees that any information not marked, as required by these bidding instructions, as a "Trade Secret" is not a trade secret as defined by the Trade Secrets Act, and (3) agrees that, notwithstanding any claims or markings otherwise, any prices, commissions, discounts, or other financial figures used to determine the award, as well as the final contract amount, are subject to public disclosure. In determining whether to release documents, the State will detrimentally rely on Offeror's marking of documents, as required by these bidding instructions, as being either "Confidential" or "Trade Secret" or "PROTECTED". By submitting a response, Offeror agrees to defend, indemnify and hold harmless the State of South Carolina, its officers and employees, from every claim, demand, loss, expense, cost, damage or injury, including attorney's fees, arising out of or resulting from the State withholding information that Offeror marked as "confidential" or "trade secret" or "PROTECTED". (All references to S.C. Code of Laws.)

SUBMITTING YOUR OFFER OR MODIFICATION (JANUARY 2006) (a) Offers and offer modifications shall be submitted in sealed envelopes or packages (unless submitted by electronic means) – (1) Addressed to the office specified in the Solicitation; and (2) Showing the time and date specified for opening, the solicitation number, and the name and address of the bidder. (b) If you are responding to more than one solicitation, each offer must be submitted in a different envelope or package. (c) Each Offeror must submit the number of copies indicated on the Cover Page. (d) Offerors using commercial carrier services shall ensure that the Offer is addressed and marked on the outermost envelope or wrapper as prescribed in paragraphs (a)(1) and (2) of this provision when delivered to the office specified in the Solicitation. (e) Facsimile or e-mail offers, modifications, or withdrawals, will not be considered unless authorized by the Solicitation. (f) Offers submitted by electronic commerce shall be considered only if the electronic commerce method was specifically stipulated or permitted by the solicitation.

III. Scope of Work /Specifications

The purpose of this Invitation for Best Value Bid is to provide a single source for horseback riding instructional services including horses, tack, and use of facilities for three levels of horseback riding courses offered to College of Charleston students through the College's Department of Health and Human Performance, Charleston, South Carolina.

The College of Charleston Horseback Riding Activity Program consists of riding activity courses at three (3) levels: beginning, intermediate, and advanced. The course descriptions for these three levels are presented below:

PEHD 113 Beginning Horseback Riding

The course is designed to provide instruction in the beginning skills of horseback riding and to provide the student with lifetime sports skills that will contribute to his/her physical, mental, and social growth. Attention will be given to the development of skills in grooming, horse handling, saddling and bridling, mounting and dismounting, walking and posting.

PEHD 133 Intermediate Horseback Riding

An introduction to the basics of dressage and jumping for students who have completed beginning horseback riding or have basic skills from previous riding experience. Students will learn an introductory level dressage test and a simple stadium course.

Prerequisite: PEHD 113 or permission of the instructor.

PEHD 120 Advanced Horseback Riding

Advanced riding skills for the student who has completed PEHD 133.

Prerequisite: PEHD 133 or permission of the instructor.

Academic Considerations:

Students successfully completing these courses earn 2 semester hours of academic credit. In addition to improvement in riding skills, students are also expected to gain knowledge related to proper use, care and maintenance of tack, stables, riding facilities, and horses. This includes the understanding of terminology and equine theory appropriate for the level of the course.

It is expected that students will be tested both physically and cognitively and that appropriate grades will be assigned. Even though attendance and participation are significant components of success in an activity course, they should be the primary determinants in the assignment of grades. Grades must be reported for each student at mid-term and at the end of each semester.

General Conduct of Classes:

The Spring and Fall semester sections of a course at any level will enroll up to 26 students. There are typically four (4) sections of beginning courses and two (2) sections of intermediate courses each Fall and Spring semester. There is one section of the advanced course in the Spring semester only.

The Summer I session, which is a beginner's level course, will enroll up to 20 students.

Numbers of sections can vary based on the demand from students at the College of Charleston and on the capacity that can be handled by the stable providing the instructors, horses, and facilities.

It is the College's prerogative to cancel any section that has less than 10 students enrolled. If a section is cancelled, students enrolled in that section can enroll in another section provided there is space in another section and the time and day of that section fits the student's class schedule.

The Spring and Fall semester classes meet for a three-hour period. Currently, sections are offered on Monday (M), Tuesday (T), Wednesday (W), and Thursday (R). No sections are offered on Friday, Saturday, or Sunday.

The Summer 1 session typically meets Monday through Friday, from 9:45AM to 11:30AM.

Students in each section are divided into four (4) groups. No more than 6-7 students are riding at any one time. Students not riding are participating in ground lessons related to riding, care, and treatment of horses, maintenance, etc.

At the beginning of each semester, the initial class is held at the Health and Human Performance facilities on the campus of the College of Charleston (either the Johnson Physical Education Center or the Silcox Health and Physical Education Center).

At this initial meeting, students receive a class syllabus providing information on the nature of the courses, general dress required for participation, contact information for instructors and directions to the stable. Students also read and sign a liability waiver that details the risks associated with horseback riding and stipulates that the student will not hold the stable or the College responsible for any injury that occurs due to the ordinary risks involved nor for any injury that occurs due to simple negligence of the stable and/or its employees. Any student under the age of 18 must have his/her parents read and sign the liability waiver before he/she is allowed to participate in the course.

At the initial meeting, students are also required to verify that they have purchased health insurance from the College or have personal/family health insurance. Students **without health insurance are not allowed** to participate in the course.

At the initial meeting, students are also reminded that they must provide their own transportation to and from the stable that is providing the riding lessons. This statement is part of the online course description and the course description in the College catalog. There are no stables any closer than 12 miles to the College. Students should not expect to be able to walk or ride bicycles to the horseback riding site. Many of the roads do not have sidewalks or bike paths and are not conducive to safe walking or biking. Students who cannot provide their own transportation or who cannot arrange transportation with another student in the same section of the class are expected to drop the class.

Provider must be able to accommodate the average number of students per semester in six (6) class sections each Fall semester, seven (7) class sections in the Spring semester and one (1) Summer session as indicated below:

Enrollment noted are average requirements for the initial contract period and the College of Charleston does not obligate itself to purchase the full quantities indicated, but the price offered must be allowed should the quantities be less. The College's requirement may exceed the quantities shown and all services provided by the contractor during the term of the contract shall be filled in accordance with the terms and conditions hereinafter set forth.

Bids are to be based on total cost to the provider per academic year (Summer 1 session, Spring and Fall semesters). Persons submitting bids must include an itemized statement of expected costs. These costs will be divided by the historical average number of students per year to determine the fee students will be charged.

(c) Both the certificate and the endorsement must be received directly from either the contractor's insurance agent or the insurance company.

No sales may be made pursuant to this contract after expiration of this contract. Violation of this provision may result in termination of this contract and may subject contractor to suspension or debarment.

State shall not admit liability or agree to a settlement or other disposition of the suit or claim, in whole or in part, without the prior written consent of Contractor. increase. If approved, a price increase becomes effective starting with the term beginning after approval. A price increase must be executed as a change order. Contractor may terminate this contract at the end of the then current term if a price increase request is denied. Notice of termination pursuant to this paragraph must be received by the Procurement Officer no later than fifteen (15) days after the Procurement Officer sends contractor notice rejecting the requested price increase
