Date: Thursday Sept. 7

Time: 3:30-5:00

Place: ECTR 118

***Dr. Russell Kirkland***

***Religious Studies Dept.***

***University of Georgia***

“How is Taoism relevant to “modern life”? Is Taoism only junk-food for the “spiritually hungry world” of Westerners who no longer recognize the “spiritual nutrition” available in their own cultures’ traditions? How is Taoism relevant in the 21<sup>st</sup> century where China is a major economic, political, and military power? These topics and more will be addressed in the presentation.”

**Sponsored by the Religious Studies Department**

**College of Charleston**
