Dr. Timothy K. Beal
Florence Harkness Professor of Religion
Case Western Reserve University

A few years ago, Dr. Timothy K. Beal and his family hopped in a 29-foot rented motorhome and hit the highway to explore some of America's strangest religious sites -- places like The World's Largest Ten Commandments, life-size recreations of Noah's Ark and the biblical Holy Land. Join him as he shares stories, pictures, and insights from this fascinating journey into the spiritual landscapes of some of America's most unusual religious visionaries."
